Peoria, IL 61602

Dear Angie,

University of Illinois Extension, Champaign County Unit is thrilled to be part of Moon Walk 2010. We appreciate the invitation to be part of such a unique and exciting race. On behalf of Champaign County residents we accept your challenge to a race to the moon and look forward to a friendly competition with Peoria and the Quad Cities.

As you know, Champaign County Extension has been providing Health and Wellness programs for over twenty-five years. We are committed to working with our community to bring forth exciting opportunities like Moon Walk and to make health and wellness an important part of individual's lives. As our third year to Moon Walk, we know we have our work cut out for us, but we are certain Champaign County residents are up for the new challenge (the winner will be the community that has logged one trip to the moon and has the highest average miles per walker). The 8-week event officially begins on April 16rd and ends on June 11th. The winner will be declared June 16th and will claim the Moon Walk Walking Stick.

Thank you again for inviting us to be part of Moon Walk. We too look forward to an electrifying and challenging race to improve individual and community health through the benefits of walking.

To the moon!

Sincerely,

Jamie Kleiss
