Peoria, IL 61602

Dear Angie,

University of Illinois Extension, Champaign County Unit is thrilled to be part of Moon Walk 2009. We appreciate the invitation to be part of such a unique and exciting race. On behalf of Champaign County residents we accept your challenge to a race to the moon and look forward to a friendly competition with Peoria and the Quad Cities.

As you know, Champaign County Extension has been providing Health and Wellness programs for over twenty-five years. We are committed to working with our community to bring forth exciting opportunities like Moon Walk and to make health and wellness an important part of individual's lives. As our second year to Moon Walk, we know we have our work cut out for us, but we are certain Champaign County residents are up for the new challenge (the winner will walk one round trip to the moon and have the highest total number of miles per registered walker).

Thank you again for inviting us to be part of Moon Walk. We too look forward to an electrifying and challenging race to improve individual and community health through the benefits of walking.

To the moon!

Sincerely,

Jamie Kleiss
Health and Wellness Program Coordinator
